### SCHOOL UPDATE

The year is going by so quickly and we have a lot happening in school. Please remember to keep the class teacher updated with any absences or appointments so that these can be coded accordingly. We have so many events taking place and each class will be informed of the events in which they are involved. It's an exciting time to be at school!

## NUT-AWARE SCHOOL

As you are probably aware Wheatfield Primary & Nursery School is a nut-aware school. It is extremely important that any food products being sent into school are checked for the presence of nuts and those with nuts are not sent in. We appreciate and value your support with this.
